CHARLES DICKENS' WORKS.

TWENTY-NINE DIFFERENT EDITIONS.

☞ No Library or Household whatever can be complete without having in it a Sett of ☞
☞ one of the following Editions of the Works of Charles Dickens. ☞

Published by T. B. PETERSON & BROTHERS,

No. 306 CHESTNUT STREET, PHILADELPHIA,

Who will deliver to any person, to any place in this country, *free of expense for freight or express charges*, a complete sett of either of the Twenty-Nine Editions, on their sending to us a draft for the amount, of whatever edition they may wish, in a letter.

"PETERSON'S" are the only complete and uniform editions of Charles Dickens' works ever published in the world, and are the only editions published in this country. The works of an author like Dickens cannot be too extensively diffused. No one can rise from a perusal of his writings without having been instructed as well as amused. The cause of religion, virtue and morality finds an advocate on every page. It is in this spirit that the publishers of the complete editions of the works of Charles Dickens have undertaken to present them to the American people. They suppose that they could not render a better or more acceptable service to the great mass of readers than by placing such a publication within the reach of the whole mass of the American people. The revised uniform London edition, from which these are reprinted, comprised Two Hundred and Forty numbers, and was issued to subscribers only, the cost of which complete, was One Hundred Dollars. No library, household, or family, can be complete without having in it a complete sett of the works of this, the greatest of all living authors.

DUODECIMO ILLUSTRATED EDITION.

Complete in Twenty-Five Volumes, and published in Seven Different Styles.

The Editions in Duodecimo form are beautifully Illustrated with over *Five Hundred Steel and Wood Illustrations*, from designs by Cruikshank, Phiz, Leech, Browne, Maclise, etc., illustrative of the best scenes in each work, making it the most beautiful and perfect edition in the world, and the volumes will be found, on examination, to be published on the finest and best of white paper.

This edition of Dickens' Works is now published complete, entire, and unabridged, in Twenty-five beautiful volumes, and supplies what has long been wanted, an edition that shall combine the advantages of portable size, large and readable type, and uniformity with other standard English authors.

The Duodecimo edition alone has been gotten up at an expense of *over Forty-Five Thousand Dollars*, but the publishers trust that an appreciative public will repay them for the outlay, by a generous purchase of the volumes. All they ask is for the public to examine them, and they are confident they will exclaim, with one voice, that they are the handsomest, and cheapest, and best illustrated Sett of Works ever published. This edition is sold in setts, in various styles of binding, or any work can be had separately, price Two Dollars and Fifty cents each, and each work but one being in two volumes, handsomely bound in cloth, as follows:

PETERSONS'

COUNTERFEIT DETECTOR

AND

BANK NOTE LIST.

Has the largest circulation of any in the world, and is published Monthly and Semi-Monthly (on the 1st and 15th of each Month,) in a large quarto page, forty-eight pages in each number.

It is the **LARGEST DETECTOR**, It is the **MOST COMPLETE**,
 It is the **MOST PERFECT**, It is the **MOST RELIABLE**,
 And is the **BEST DETECTOR** of Counterfeit, Altered, and Broken Bank Notes ever published.

Petersons' Counterfeit Detector and Bank Note List was enlarged on January 1st, 1859, by adding sixteen pages more to each number, making it the largest and fullest Detector in this Country; and its usefulness to the business community has also been greatly enhanced, and it now challenges comparison with any work of the kind now in existence; and it is a known fact that the same amount of useful matter to all Storekeepers cannot be procured in any other shape at any price.

The corrections in the Bank Note List, as relates to the discount on Notes, quotations as to the value of all Bank Notes, Lists of New Counterfeits, etc., are made by the well-known Banking House, all over the world, of

DREXEL & CO., 34 South Third Street, Philadelphia,

WHOSE QUOTATIONS WILL BE FOUND TO BE RELIABLE AND TRUE.

The Publishers having for a long time seen the necessity and want of an entirely CORRECT, INDEPENDENT, AND RELIABLE COUNTERFEIT DETECTOR AND BANK NOTE LIST, to be entirely uncontrolled by any one to suit private ends and purposes, are confident that, from the means and sources of information which the Publishers and Editors of this Detector have at their command, it will be found at all times to be COMPLETE, CORRECT, and RELIABLE.

NEW COUNTERFEITS AND BROKEN BANKS.

Each number of the Detector contains, on the first pages, the latest and fullest intelligence in relation to all the various failures of Banks and Banking Institutions, and of the various New Counterfeits and Altered Notes since the publication of the last Detector, and a full and complete summary of Financial News; and **each and every Number** of the Detector also contains a complete, full, and entire list of all the Broken, Failed, Closed, Fraudulent and Worthless Banks in the Country. These are kept entirely separate and distinct from the Good Banks.

STOCK LIST AND WHOLESALE PRICES CURRENT.

Each Number contains a full and complete Stock List, corrected by the well-known house of

E. W. CLARKE & CO., Bankers and Stock & Exchange Brokers, Philadelphia,

(Up to the hour of going to press,) of Loans, Banks, Insurance, Canal, and Railroad Stocks, showing the par value of each stock, as well as the prices offered, and price asked for each; also, when the dividends on each stock are due and payable.

WHOLESALE PRICES CURRENT.—The Wholesale Prices Current will also be found to be full, complete, and reliable, of the latest operations, up to the moment of going to press.

FINANCIAL NEWS.—Each number contains a carefully written Money Article, by one of the best monetary writers in this country, on MONEY, TRADE, EXCHANGE, STOCKS, and all other FINANCIAL MATTERS. Each number contains also a Specie Table, showing the value of Foreign and American Coin, Rates of Exchange, both Domestic and Foreign; Tables of all Bank Notes at par in Philadelphia, and where redeemed, besides other useful matter, of great value to all City and Country Merchants, Storekeepers, and all other business men.

PUBLISHERS' CARD.

We would advise all persons, for their own safety, to subscribe to the Semi-Monthly issue, and thereby receive the latest particulars in relation to all New Counterfeits, &c. *Over two thousand newspapers in this country have, within the last three months, editorially pronounced "PETERSONS' DETECTOR the most complete, perfect, and only one that can be relied on published in this Country, the corrections being made by Drexel & Co., the well-known Bankers and Brokers of this city, and also advise every storekeeper in the United States to subscribe to it at once."*

All that is necessary for any person to do, in order to become a subscriber to and receive PETERSONS' DETECTOR regularly, is to enclose the money to us in a letter, and forward it to us through the Post-Office, when they will afterward receive the Detector regularly, and also receive a copy of "*Petersons' Complete Coin Book*," per first mail, *gratuitously*, which Coin Book is the most complete and perfect one ever published in the whole world.

Read the following editorial Notice, which is only a sample of over Two Thousand Notices we have received from as many Newspapers, all over the Country.

GET THE BEST DETECTOR.—Petersons' Detector and Bank Note List for January has been received by us, and is corrected by Drexel & Co., the well-known Bankers and Brokers, and it is the best and most reliable Detector of Counterfeits and Altered Notes published in this country. The number issued this day fully describes fifty-two New Counterfeits, and contains a fac-simile of a bogus bank note that is being altered to suit various banks all over the country, and which is being put into extensive circulation. It also contains several other pages of very valuable information of everything pertaining to bank notes. It has been considerably enlarged this month, having now forty-eight pages in, and contains also fac-similes of several hundred gold and silver coins, besides. We have no hesitation in pronounc-

ing it the most complete, reliable and best publication of the kind in the United States, as it is not used to subserve the interest of any banking-house, as most of the so-called Detectors are. It should be in the hands of every storekeeper in the whole country; and we would advise all persons who handle money to send two dollars in a letter, for a year's subscription, to the publishers, and thus subscribe for the semi-monthly issue of it at once; or one dollar for the monthly issue. It is published by T. B. Peterson & Brothers, No. 306 Chestnut street, Philadelphia, to whom all letters should be addressed. A copy of "*Petersons' Complete Coin Book*," the most perfect and complete one in the world, will be given, gratis, to all subscribers for 1859.—*Philad'a Public Ledger.*
